

## CHANSE FINAL CONFERENCE – PRACTICAL INFORMATION

### 8-9th September 2025, ICE KRAKÓW CONGRESS CENTRE

The final CHANSE conference, “We Are CHANSE,” tells the diverse stories of our 26 CHANSE projects. It is a celebration of the hard work and successes that have been achieved since 2023. During five sessions, projects are encouraged to showcase their successes and impact, and to reflect on challenges faced and lessons learned.

Projects are invited to speak to the theme they have been grouped in but are free to divert from it and focus on elements **they** feel are most important to be shared with this audience. Each presentation should last no more 10 minutes.
